Koyali Tarfe Chakan-Pune ,Maharashtra

<https://www.linkedin.com/in/pratiksha>

PROFESSIONAL OVERVIEW

Passionate and driven engineering student with a strong enthusiasm for problem-solving and innovation. Thrive in challenging environments and take initiative to develop effective solutions. Committed to continuous learning and growth, with a focus on expanding technical skills and contributing meaningfully to team projects.

PROJECTS

1)Expense Tracker Website - github.com/expense-tracker

Developed a fully responsive front-end web application for tracking daily expenses using HTML, CSS, and JavaScript . features include: Login screen with email/password input and "Forgot Password" option. Expense input form with fields for amount, description, date, and category. Real-time expense total calculation and ability to clear all entries

2)To-Do List Web - <https://www.linkedin.com/posts/pratiksha-alhat>

Built an interactive task management web using **HTML**, **CSS**, and **JavaScript**. with a clean UI, color-coded actions, and responsive layout .Users can add, edit, delete tasks and filter them by status (All, Completed, In Progress)

3)Personal Portfolio Website - <https://portofilo-pratiksha.alhat>

Built a responsive portfolio using HTML, CSS, and JavaScript . Showcases skills, projects, and includes contact form and resume download

EDUCATION

BE (Comp Engineer) (2022-2026)

MMIT Lohegaon, SPPU

SGPA-10.0(currently)

HSC (2022)

NMV Markal, HSC | **86.67%**

SSC (2020)

NMV Markal, SSC | **90.40%**

SOFT SKILLS

- Communication
- Teamwork
- Time management
- Leadership

TECHNICAL SKILLS

- C++ , Java
- HTML , CSS , Javascript
- MongoDB , SQL
- Documentation

ACHIEVEMENTS

- C+ + ,JAVA, HTML , Power BI, MongoDB, Cloud Computing Course Completion Certificates
- Introduction To Threat, Network Security Association Course Completion Certificates - [FORTINET]
- First Rank in SSC,HSC
